CARTOON NOTES

Dear Cartoon Network Presents:

What's up? Anyhoo, the reason I'm writing this letter is that I have a suggestion. Why not make...are you ready? Why...not...make...Cartoon Cartoons Comics part of Cartoon Network Presents!!!! Imagine! Johnny Bravo! Dexter's Laboratory! Cow and Chicken! Powerpuff Girls! I.M. Weasel! A whole mess of 'em!!! Sorry I didn't mention Ed, Edd (a.k.a. Double D) 'n' Eddy because they're from another cartoon company called A.K.A. Cartoons. Keep up the good work.

As you can now see, we have changed from Cartoon Network Presents to Cartoon Network. Starring featuring Johnny Bravo, Space Ghost Coast to Coast, Cow & Chicken and I.M. Weasel! Unfortunately this is the last issue of CNS that will feature The Powerpuff Girls. But fear not, loyal PPG fans, because we're only making way for the all-new Powerpuff Girls Comic. The first issue will be out this spring.

Dear Cartoon Network Starring:

I adored the Powerpuff Girls' comic-book debut. The village of Townsville is very lucky to have Pokey Oaks Kindergarten students to help save the town. Blossom, Bubbles and Buttercup's "Snack in the Face" story was a tasty morsel.

Miss Bellum and the Mayor may be overdoing use of the Powerpuff Girls. I could see having them save Townsville, but using the girls' powers for removing stains in clothes is ridiculous. I still found the story to be fun and enjoyable.

Dear Cartoon Network Starring:

CNS deserves its own run at the Powerpuff Girls. Give the girls their own comic. And go for smaller panels! McCracken's good — but he's not that good.

Your wish is our command!
(See above.)
